have you ever imagined what it would be like to enter into a business partnership with

god in the 25 biblical laws of partnership with god william douglas and rubens teixeira reveal that god wants to be a part of not just your spiritual life but your entire life god wants to participate in your career your workplace and the way you do business the 25 biblical laws offer a spiritual agenda with practical results providing answers to such questions as how should a christian act at work if the owner of a company is a follower of the bible how should they treat their employees and clients should the products sold or the services rendered by a partner of god be special in any way in this book you ll learn how to build a business partnership with god changes you can make in your work habits and the laws you should follow to reap the benefits of your partnership with god and others

what is spirituality anyway isn t spirituality about emotion and isn t work about the rational mind too often we divorce our work life from our real life from our innermost beliefs and convictions but work can be as much a part of our life and as much a vehicle for spiritual growth and personal understanding as going to synagogue or church on saturday or sunday or taking a walk in the woods or reading quietly to our kids at bedtime in fact work may be among the most potent vehicles for fulfilling our spiritual life because for many of us it presents the best opportunities to meld community and social and economic productivity with personal belief and individual talent from the introduction by norman lear being god s partner will help people of every faith reconcile the cares of their work and the strivings of their souls and restore the hidden link between them by exploding our assumptions that work and spirituality are irreconcilable salkin explores how spirituality can enhance our 9 to 5 lives it is time to be as rich internally as we are externally he writes offering soul stirring ways to smuggle religion into our workplace thought provoking practical and exhilarating being god s partner goes beyond just talking about the subject to give you specific actions to take and connections to make right now to help infuse our lives with greater meaning purpose and satisfaction and invigorate all that we do

how should men and women and god relate to one another letty russell s answer is partnership understood in new ways as a relationship rooted in the life story of jesus instead of concentrating on individuals as single entities she develops the theme of the individual in partnership both with god and with others she deals with the theological foundations of partnership and such practical concerns as lifestyles human sexuality education church community life and ministry her book speaks to the interests of churchwomen feminists students of theology and the many who have studied her other books

in freedom in resistance and creative transformation michael miller addresses the concept of freedom that is central to the grammar of christian faith and important in a wide range of religious and nonreligious settings across the globe he confronts the fact that despite the claimed importance of freedom there continues to be interpersonal socio political and religious power hierarchies that keep some people dominant and others subjugated the book suggests that often these hierarchies are informed by christian teachings that deny freedom to human beings on the basis of their humanity per se having classified humanity as fallen we are instructed that freedom is experienced by disparaging our humanity as we actually experience it seeing ourselves as our own worst enemies and accepting bondage to god the bondage reflected in the character of relations with those seen as god s special representatives in the world miller presents a case against this understanding of the human situation and in the process he critically engages the old and new testaments along with ideas of significant representatives of christian orthodoxy as an alternative he promotes freedom that is finite realistically libertarian and relational as most compatible with the character of human beings that are partially self creating and self determining contributing to this position is the view that an infinitely temporal god by character and desire participates in human life in a way that ensures the requisite space for authentic decision making from which emerges genuinely novel possibilities for human life this dynamic has implications for the continued development of the human species and the quality of life in the cosmos as a whole

cross cultural partnerships in today s global environment are both challenging and necessary misunderstanding and miscommunication often lead to conflict between culturally diverse groups christians must understand and evaluate their own culture the culture of others and the text of scripture itself while remaining faithful to scripture and relevant to culture unmediated tensions combined with relational isolation lead to a myriad of problems this study proposes cross cultural missional partnership as a relationship that mediates these tensions thereby encouraging mutual faithful engagement in the mission of god cross cultural tensions may never disappear but within a healthy partnership partners can assist one another in understanding and responding faithfully to scripture partners help one another more faithfully interpret and apply scripture leading to obedience to god s will and engagement in god s mission within unique and diverse contexts

the idea that we can partner with god strikes some people as audacious others consider it pretentious some may think it s downright blasphemous can creatures actually can

partner with god this book answers that question in the affirmative the responses vary and the proposals provoke new insights along the way the ideas break new ground it turns out partnering with god has various meanings and dimensions the seventy seven contributors explore this rich diversity in accessible language deep insight and multiple stories their explorations inspire elucidate and motivate what they re saying this helpful book provides both important concepts and lived experience that invite us to consider how what we think about god affects how we live in the world sarah heaner lancaster methodist theological school in ohio these essays are insightful practical thoughtful and worth our consideration each author brings unique insights into the divine christopher fisher god is open get a copy of partnering with god

in this concise no frills book you will be taking another look at what much of modern dating is really all about how it affects you and the person you are dating and what the consequences of certain mindsets and actions are likely to be if you are in a temporary dating relationship for the fun of it this book would encourage you to step back and reconsider what you really want 2 years 5 years 10 years or 20 years from now finally this book would provide you with a number of critical questions and tests to help you decide whether you are ready for a life long relationship now or not whatever the outcome you would be encouraged to do things the biblical way

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

in a closer relationship with god expanded edition intimacy and devotion bill vincent provides a powerful 30 day devotional journey designed to deepen your faith strengthen your prayer life and renew your mind through the word of god each day is filled with insightful reflections scripture based affirmations and practical steps that will draw you closer to the lord whether you are seeking spiritual renewal a deeper sense of purpose or greater confidence in your identity in christ this book will guide you on the path to intimacy with god if you desire a faith that is alive and a relationship with god that transforms your life then this devotional is for you

using a study of the gospel of john as a framework sherron george affirms that god s mission in partnership by its very nature must be ecumenical this book is intended for all

christians engaged in mission with god and others it is offered as a theological and practical tool to all in the global church who engage in re inventing partnership in mission for the twenty first century

what is our preconception about muslims do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached is our gospel message biblically balanced and firmly contextualized in the context that we try to serve there are numerous questions that we may ask ourselves when we desire to share god s love with people who are still alienated from it christian cross cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles this book brings a lot of insightful thoughts and suggestions from the author s medical ministry experience in the arab world to those who want to reach out to the unreached the theology of shalom enables us to deeply understand god s ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that jesus has presented throughout his life on earth when he was with us this book demonstrates how christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively

a spiritual guide for those who intend to survive lead others in the new age the divine partnership concludes a six book assignment by jean k foster that began with the god mind connection the truth that goes unclaimed eternal gold it is a guide to using the creative potential that exists within the partnership of the individual the holy spirit brotherhood of god the totality of the god of the universe
